

LIBRARY SETS '56 RECORD; TO MEET JAN. 17TH

With a new all-time high circulation record set for 1956, the board of directors of the Adams County Free Library adopted a budget for 1957 and made final plans for the annual business meeting of the library association to be held at the main library on E. High St., Thursday, January 17, at 7:30 p.m.

The board also elected Prof. Francis Reinberger of the seminary faculty as a director to serve out the one year remaining in the term of Mrs. Kenneth Smoke who resigned from the board several months ago.

The circulation total for 1956 was 207,964 book loans, more than 5,000 above the previous high set in 1955 at 202,307. The 1956 total included 150,890 loans made through the schools, 41,882 from the main library, 9,130 through its branches in county towns and 3,969 through adult book stations in a number of sections.

\$2.37 From Kiddies

The figure also includes loans of 42 film strips, 1,502 magazines at the main library and 549 through the branches. The total was reached despite a December total of 20,710 loans which compared with 22,320 in December of 1955. The decrease came in reports from school stations although circulation was up for the month at the main library. The bookmobile traveled 8,270 miles last year.

The report of Mrs. Mary Wilson, librarian, noted a gift of \$2.37 from Fourth grade pupils of the St. Francis parochial school which had accompanied a Christmas note of thanks for the service the library renders. Mrs. Wilson also reported gifts of 35 books and \$6 in cash from a "book shower" sponsored by the AAUW. The county fund drive brought in an additional \$65 in the last month, her report showed.

The board adopted a 1957 budget anticipating receipts of \$17,285 but more funds will have to be found during the year if expenses are to be met. Operating expenses will come to an estimated \$17,385 in addition to capital expenses of \$2,355 and \$900 already committed for books.

To Hear Prof. Pickering

The budget provides for \$900 more for salaries next year for the library's staff of five and earmarks \$3,000 or new books, the same sum set aside last year although more than \$4,300 was spent for books and magazines. Chief recipient items are anticipated state, county and Community Chest grants.

Mrs. Wilson said 1,687 books were bought in 1956 and 898 others were donated, placing the library's total book collection at just under 25,000. It was announced that Prof. James Pickering of Gettysburg College faculty will speak and show colored slides on England at the annual meeting January 17. Annual reports will be presented at the meeting and directors will be elected.

ASKS WRIT IN BEHNEY ACTION

The Adams County court was asked late this morning to grant a writ of possession against James Behney in the action started against the York Springs man last month to force removal of his home from the area where fill will be placed for a bridge on the planned by-pass of Route 15 around York Springs.

The law firm of Swope, Brown and Swope, handling the matter for the state highway department, this morning said it had no information concerning the matter, other than the receipt of instructions Friday from the state to ask the court to make absolute the rule sought against Behney last month.

Attorneys said normally the writ would be granted this morning, since no objections have been filed to it, and the sheriff would serve the writ on Behney possibly today or Monday. Normally persons given such a writ are granted a few days to make arrangements, although the writ states that possession must be given immediately.

Behney, contacted at the time of the original rule, said he was willing to move his home, but sought permission from the state for a right of way to the part of his land to which he sought to move the house. Mr. Behney was at work this morning and could not be reached by telephone for comment.

Widow Of Former Dentist Here Dies

Mrs. John Robinson, 81, Oakland, Md., a former resident of Gettysburg, died Thursday in the National Lutheran Home in Washington, D. C., where she had been guest for two weeks. Death followed an illness of several months.

Mrs. Robinson was the widow of Dr. John Robinson who for a number of years was associated with the late Dr. Ellis Musselman as a dentist on Chambersburg. He was also an organist.

Surviving are six children: Mrs. Ruth Husemoller, Hyattsville, Md.; Felix, Oakland, Md.; the Rev. Ralph Robinson, Harrisburg; Mrs. Jane Gorman, Uniondale, N. Y.; Jarvis, Baltimore; and Howard, Mamaronck, N. Y.

Funeral services will be held this afternoon at 2 o'clock at the National Lutheran Home with further services and interment Sunday afternoon at 2:30 o'clock at Oakland.

WINTER PRODUCE UNCHANGED; EGG PRICES LOWERED

Winter produce at the farmers' market this morning continued to be high in quantity and demand. Egg prices dropped five cents on all four sizes for the only noticeable change during the week. Prices now start at 35 cents for the small and range to 50 cents for the jumbo size.

A variety of cuts of pork continued to be available. Sausage was 55 cents a pound; pudding, 45 cents; scrapple, 25 cents; pig maws, 60 cents each; ribs and backbones, 45 cents a pound; soue, 25 cents a pound. Lard sold for 15 cents a pound. Dressed chickens were 50 and 55 cents a pound, while bacon was 50 cents a pound.

Apples On Sale

Large quantities of apples were still available. Staymans were sold for 55 cents a half peck while other varieties could be had for 45 cents. The wintertime stock of vegetables included: turnips, 15 cents a box; potatoes, \$2.50 a bushel and 70 and 75 cents a peck; pumpkins, five and 10 cents each; dried corn, 60 cents a pound; dried apples, 30 cents a box. Apple butter was 50 cents a jar and grated horseradish was 65 cents a pint and the ground type was 50 cents a pint. Ornamental gourds brought five cents a piece.

Lemon sponge and mince pies brought 45 cents a pie. Coconut custard was 35 cents. Frosted layer cakes were \$1 and \$1.25 each. Homemade bread and butter pickles were 30 and 35 cents a pint; pickled beets, 25 cents a pint; home-preserved peaches, 40 cents a quart.

Cottage cheese was 20 cents a pint; cup cheese, 25 cents a pint; sweet cream, 25 cents a pint; butter-milk, 15 cents a quart.

TO ADDRESS CONFERENCE

Prof. Earl H. Tschudy will speak at a Bible Conference at the Centenary Evangelical United Brethren Church, Biglerville, from Monday through Wednesday, January 7 to 9. He was for many years head of the biology department of Hazleton High School. He is presently engaged in a Bible teaching ministry which takes him into many states.

The public is invited to the services held each evening at 7:30 o'clock.

Missing Actress Is Found In Desert; Face Is Bruised

INDIO, Calif. (P)—Blonde Marie (The Body) McDonald, her face bruised and two of her teeth cracked, was found wandering dazedly on the desert in night attire early today, sheriff's deputies reported.

The officers said she told them that two kidnapers had pushed her from a car after a wild ride at 60 and 70 miles an hour from Los Angeles.

Just 24 hours earlier the glamorous actress had vanished from her home in Encino, a Los Angeles suburb. Since then she had three times reported herself abducted in telephone calls to friends.

Riverside County sheriff's deputies gave this account:

A Los Angeles truck driver, Richard D. Corn, reported that a woman clad in night clothes ran in front of his truck near Cactus City, 17 miles' east of Indio.

"In Hysterical Condition"

"I had a hell of a time stopping the truck," said Corn. "She was so hysterical I didn't know what was going on."

Corn took her to Cactus City. He said she was wearing slippers and a house coat over a nightgown.

Kidnap From Home

From Cactus City the actress was brought to Coachella Valley Hospital here, where Dr. Allan Fisher reported her "in good con-

WORK OF HERB DOCTORS TOLD TO DAR FRIDAY

"For more than four thousand years the Chinese herb doctor has practiced his profession in China," declared Dr. Gerald K. Doo, Warner Hospital surgeon and native of Shanghai, at a meeting of the Gettysburg Chapter DAR, Friday afternoon at 2:30 o'clock at the YWCA.

Doctor Doo spoke on the beginnings of this medical art, how the herbs were gathered in the Orient by the God of Famine and how the skill has passed from father to son through the centuries.

"There are more herb doctors than western-trained doctors in China," he said. "Even highly-educated people still go to them for help. This type of doctor seeks to treat the symptoms of his patient rather than the disease, itself. They employ medicine rather than surgery, treating superficial infections. They use a type of plaster for arthritis which is made up of a secret formula."

Son Learns From Father

In explaining the education and training of a herb doctor, the speaker explained that "the profession is handed down from father to son and is kept in the same family for centuries. The boy who is learning the skill must develop beautiful handwriting, one of the requisites. He sits in on an interview listening to his father as the latter questions a patient. The findings, history of the illness and type of drugs to be used are all written on the same sheet of paper with a fine Chinese brush as the son takes down notes. In this way he learns the art, little by little."

"Taking the pulse of a patient is important and the chief way the doctor has of diagnosing his patient's condition. He places the patient's elbow on a soft, velvet pillow for the examination, asking questions at the same time. He will also examine the patient's tongue, a method popular in early America. It is considered unreliable by some physicians today. But in the practice of herb medicine it is very important."

Use Many Ingredients

Describing the type of plants, herbs and flowers used to concoct the medicines Dr. Doo said "some of the ingredients of the brews are flowers, shells, olives, melon seeds, orange peel and the licorice plant. Some shops bear the slogan 'Our Plants are better than Others' very much like cigarette competitors today."

"There are different ways of wrapping the herbs. Some popular packages are shaped like a pyramid on which the contents, name of the drug, manner of preparing it and its action are described. The herbs are boiled and can be used two or three times. The liquid must be poured in an earthenware pot and taken while hot. Since World War II ready-made concoctions can be secured in a thermo bottle. Many of the brews taste like bad coffee."

"Herb doctors do not understand how the medicine works, or why, but they know that it works."

Some Use 'Shots'

"In modern medicine we have only science. We send the patient to the x-ray laboratory and to other hospital departments for tests. In the old days the practice (Continued on Page 3)

Miss Hartzell Is Appointed Gettysburg College Registrar

MISS MILDRED H. HARTZELL

Miss Mildred H. Hartzell, assistant to the dean of Gettysburg College, has been named registrar of the college. It was announced today by General Willard S. Paul, college president. Miss Hartzell's appointment is effective immediately.

Miss Hartzell is a graduate of Gettysburg High School and of Gettysburg College. She was secretary of the Pennsylvania State College Extension office and since 1928 has been affiliated with the administrative office at the college.

General Paul said "Miss Hartzell's appointment is a justly earned recognition for her long, faithful and efficient service to Gettysburg College."

The appointment of Miss Hartzell

95 ENROLLED IN ADULT SCHOOL; OPENS MONDAY

Ninety-five persons have enrolled in the Adult Education School to be held by the Gettysburg Recreation Association starting Monday evening at the Gettysburg High School.

Recreation Director Chester Hilger said today that he anticipates the number will probably reach 100 when the classes open, as a result of telephone calls he received from prospective students at the close of registrations Friday afternoon.

As a result of last minute registrations all six of the classes scheduled will be held.

Four of the classes will begin Monday, and two will begin Thursday.

Announce Schedule

The classes starting Monday evening at 7 o'clock include: Short-haul, taught by Charles Edwards, 15 members, will meet in classroom 126; typing, taught by James Feather, 8 students, in room 131; leather, taught by Allen Gray, with 12 students, in the shop, room 102, and sewing, taught by Miss Jane Weisel, with 12 students, taught in room 18. All of the classes with the exception of leather will be held from 7 to 9 o'clock. The leather classes will run to 10 o'clock and will meet only once a week, on Mondays.

Woodworking, taught by John Corbin, with 13 students, will be held Thursday evenings from 7 to 10 o'clock in the shop, Room 102. The woodworking will extend over a 15-week period while other classes will extend over a ten-week period.

Painting, taught by Ernest Krape, will begin Thursday night in Room 220 with 15 students.

Homemaking Groups To Meet Wednesday

Representatives of the various Homemaking Groups in Adams County will meet Wednesday morning at 10 o'clock for an all-day session on "Salad Time Is Anytime."

The training session will be held at the Adams Electric Cooperative office, rear N. Stratton St. Miss Florence Finger, county Extension home economist, announced.

Louise Hamilton, nutrition specialist from Pennsylvania State University, will conduct the program of training in the making of various types of salads.

The group representatives attending Wednesday's meeting will serve as instructors at the February meetings of their respective groups. (Continued On Page 2)

as registrar separates for the first time the admissions and registrar's departments. Charles R. Wolfe had served as dean of admissions and registrar until this time, but the increasingly heavy workload in the admissions work necessitated the change.

Occupancy New Office

General Paul also announced that Wolfe and his staff will occupy new offices in the "White House," former campus home of College Chaplain Edwirth E. Korte. The admissions staff, consisting of Dean Wolfe, Associate Dean of Admissions John W. Shainline, Assistant in Admissions Mrs. Nelson Groff, and their staff, will occupy the first floor of the "White House." Dr. William O. Duck, director of guidance and placement, along with the officers of the Department of Romance Languages, will be located on the second floor. The registrar's office will remain in Glatfelter Hall.

The Bible Department will move into the present Romance Language offices in Glatfelter Hall, while room 102 in Glatfelter Hall will be assigned to the Psychology Department for offices and a laboratory classroom and Glatfelter Hall Room 110 will be assigned to the Department of Mathematics for offices.

FIVE PROPERTIES CHANGE HANDS

The following property transfers have been recorded in the office of the register and recorder:

Solution Of Suez Dispute Dims; Egypt Ignores France

UNITED NATIONS, N. Y. (P)—Hopes for solving the Suez Canal dispute dimmed today after Egypt let it be known it will not discuss any such settlement with France.

Egyptian sources made this clear as word went out that French Foreign Minister Christian Pineau is expected here next week. There have been reports he is coming to take part in Suez talks between Egypt, France, Britain and U. N. Secretary General Dag Hammarskjold.

The Egyptians have made no secret of their belief that France was chiefly responsible for the Suez invasion.

Egyptian informants also indicated they will try to increase pressure on Israel to pull out of the Gaza Strip and Sinai Desert by asking Hammarskjold to report on the Israeli troop situation if they are not out in 10 days.

Troop Withdraw

An Israeli spokesman said the troops are withdrawing in accordance with a U. N. timetable. Diplomatic sources said Hammarskjold's top aide, Andrew Cordier, had disclosed that the

Injured Trooper Is Improving

Gus Alexiou, Pennsylvania State Policeman from the local barracks, who was injured recently when he smashed his car into a tree on Carlisle St. to avoid a pedestrian who stepped in the path of his vehicle, was reported as "coming along fine" at the Warner Hospital today.

The policeman suffered a dislocation of the hip and a small part of the bone chipped off the pelvis. Physicians said "his condition is simply one that takes time. All is going along nicely, it's just a matter of time." Normally about six to eight weeks of hospitalization is required until the bone has knit.

RED CROSS WILL SEEK \$16,699; RESUME BLOOD DONATION WORK

The board of directors of the Adams County Red Cross, meeting Friday night at the YWCA, voted to resume the blood collection program and learned details of the annual finance campaign to be held in March to raise \$16,699 to carry on its work in 1957.

Rev. Charles E. Held, who had served as chairman of the blood collection program when it ended in 1954, was appointed to head up the new program.

The program is expected to be similar to that in prior years when some 1,800 donors were secured and then were called periodically to give blood at Christ Lutheran Church and at other centers in the county.

During recent years a number of Adams Countians have received blood at hospitals outside the county. The Red Cross has been asked to provide two pints of blood to the blood bank of these hospitals for each one pint given a countian. Mrs. Peggy Hill, secretary of the Red Cross, said the county still owes a number of pints of blood to several city hospitals.

Appoint Chairmen

Crosby N. Hartzell, finance chairman, said the county will be divided into 39 districts. The drive will combine direct mail with house-to-house collections.

Mrs. Luther Wisler, Junior Red Cross chairman, reported 17 schools have signed so far in the current drive for Junior Red Cross membership.

Mrs. Hill reported donations to Hungarian Aid now total \$1,640.99. In addition large quantities of new clothing have been donated by individuals and business establishments for use of the Hungarian refugees.

Donald Staub was introduced as the new disaster relief chairman. Other chairmen named by President Naugle included: John C. W. Riddle, first aid; Mrs. Henry M. Scharf, nurses aides; Mrs. Julius Swope, water safety; Mrs. Fred Swisher, home service; Mrs. Frank H. Kramer, volunteer services; Mrs. LeRoy H. Winebrenner, canteen; Mrs. Harold Streett, assistant fund campaign chairman, and Hugh C. McIlhenny, Parker Cunningham and Mrs. C. T. Ziegler, publicity.

NEW OFFICERS ARE INSTALLED

Officers were installed by Jennie Wade Auxiliary No. 9 of Canton 15 at its meeting Friday evening at the Odd Fellows Hall, Chambersburg Street.

Irene Maugans, past president of the association, installed the following:

Everly Weikert, past president; Arlene Snyder, president; Lucy Hann, vice president; Marie Stevens, secretary; Dorothy Sprigg, treasurer; appointive officers: Officer of the day, Esta Reindollar; chaplain, Anna M. Miller; sentry, Ruth Glenn; musician, Naomi Schwartz; color bearer, M. Anna Miller; color sergeant, Catherine Nett, color guard, Mollie Nett; right aid to the president, Gladys Rudisill; right aid to the vice president, Mae Sents.

The first anniversary of the auxiliary was observed. It was instituted on January 7, 1956. A program included tape recordings. A birthday cake with one candle was served.

Plans were announced for a school of instruction to be held here with the Jennie Wade Auxiliary as the host lodge.

Probation Officer To Address Lions

Delroy Anderson, Adams County probation officer, will be the speaker at the first dinner meeting of the Gettysburg Lions Club this year on Monday evening at 6 o'clock at the Shelter House.

Beginning with this meeting the club is being divided into five teams for an attendance contest to extend through January. Team assignments will be announced Monday with a member of the Attendance committee heading each team. Winners will be treated to a steak dinner.

The weekly club letter which the members received today announced an increase in regular club dues to \$16 per quarter. The rate has been \$15 for a number of years.

GEORGE DODDER DIES IN FLORIDA

George Dodder, 47, former Taneytown banker and insurance man and for four years a member of the Maryland House of Delegates at Annapolis, died of a heart attack Friday in a hospital in Jacksonville, Fla., where he had been operating a service station for the last eight years. He had been in the hospital two weeks.

A son of the late Edward Dodder, who was a former Carroll County treasurer, and Molly Dodder, of Mayberry, Md., he graduated from Westminster High School and attended Franklin and Marshall College at Lancaster. For a number of years he was assistant cashier of the First National Bank of Taneytown and was associated with the Taneytown Mutual Fire Insurance Company. He was a member of the Kiwanis Club at Taneytown. He was in the House of Delegates from 1943 to 1947.

Surviving are his wife, Lorraine Dodder. He formerly was married to Mrs. Naomi Stull Dodder, of Taneytown.

Funeral services Monday morning at 10 o'clock at the Seashore Funeral Home in Jacksonville where interment will take place.

Issues Warning About Solicitors

Eugene Murren, McSherrytown fire chief and president of the Adams County Firemen's Association, today warned merchants and individuals that some unauthorized person is seeking donations in the name of the county firemen.

Murren said he was called when a man approached a New Oxford area merchant seeking an advertisement or donation for the Adams County Firemen's Association. The merchant, aware that the firemen's association each year seeks advertising for its yearbook, and familiar with appearance of most of the firemen who conduct that campaign, was put on his guard. Murren said, when the purported salesman asked a donation in lieu of an advertisement. Further questioning secured from the "salesman" the statement that he had obtained a donation from a store nearby, which the proprietor knew was closed. Further questioning elicited that the purported salesman knew none of the names of the officers of the county association.

When the merchant started to call Murren to check the legitimacy of the "salesman," the man left the store. Murren, after learning of the attempted "sales," called police and newspapers to warn other merchants of the bogus salesman.

Mrs. Cora Berkey To Represent WCTU

The Gettysburg WCTU met Friday evening at the home of Miss Carrie Musselman, Baltimore St. Miss Musselman led devotions. Legislation against beverage alcohol was discussed. Mrs. Milton Remmel presented a reading "And the State Got The Revenue," Miss Martha Lentz read, "Who Is My Neighbor?"

A contribution was made to the Lord's Day Alliance. A chapter was read from the study book, "Wake Up Or Blow Up." Mrs. Cora Berkey was appointed to represent the WCTU on the Women's Civil Council. Miss Musselman and Mrs. William Wavell were appointed as the membership committee. Refreshments and a social hour followed the meeting. The group will meet again February 8 with Mrs. Remmel.

MONTREAL (AP)—Both sides in the crippling Canadian Pacific Railway strike have expressed reserved willingness to consider any proposals for ending the walk-out. But hope still appeared dim for an early settlement.

About 75,000 workers were idle today as a result of the coast-to-coast strike by members of the Brotherhood of Locomotive Firemen and Engineers. The strike is in its fourth day.

RAIN, SNOW AND SLEET FALLING

By THE ASSOCIATED PRESS

Precipitation in the form of rain, snow and sleet dominated the nation's weather today. Rain or showers fell in most Southern areas from the Mississippi Valley eastward to the Atlantic Coast. Snow, sleet and snow flurries were reported in northern sections.

The rain in a wide belt in the South diminished during the night although amounts measured around an inch in parts of northern Alabama and Georgia.

Rain mixed with snow was reported in the middle Appalachians and snow fell in the northern Appalachians.

Cold northerly winds and snow flurries were general throughout the lower Great Lakes region and Michigan.

Driving conditions were reported hazardous in parts of Kansas, Missouri, Oklahoma and southern parts of Illinois and Indiana as a result of a mixture of rain, sleet and snow. The snow spread into the Dakotas.

Some warming was reported over the Gulf states and along the Atlantic Coast states.

CREATE BRAWL AT HOSPITAL

PHILADELPHIA (AP)—Four shouting and brawling youths entered Northeastern Hospital before dawn Friday and made such a racket, before they were subdued by police, that they woke all 140 patients.

Two policemen were injured in the fight that took place in the hospital's admission office. A double door connecting the office with another one was torn off its hinges.

Charges lodged against the four ranged from assault on a battery on an officer to resisting arrest and intoxication.

The four were identified as James Sheeron, 19; James Kobler, 20; Daniel Donaghy, 24, and John J. Tiers, 18.

Det. Sgt. John J. McGolligan said Tiers was absent without leave from the Marine Corps.

It took 10 policemen to get the four young men into a patrol wagon.

WASHINGTON (AP)—The government reported Friday the annual rate of personal income rose by a little more than a billion dollars in November, hitting a pace of 333½ billion.

This means that income to individuals would aggregate that figure if the November pace were sustained over 12 months. The term embraces all types of income—such as wages, farm income, dividends, and rents—paid to individuals.

SAN FRANCISCO (AP)—A federal judge defied the State Department yesterday and authorized an attorney to enter Red China to seek evidence for a sedition trial.

6 KILLED WHEN BUS HITS REAR OF TRUCK IN VA.

LEXINGTON, Va. (AP)—A double-decker Greyhound bus slammed into the rear of a parked tractor-trailer north of here last night, killing six persons and injuring 33. Forty-two passengers were aboard the bus. Among the dead were the bus driver, Scherer Sullivan, 48, Roanoke, Va.; Col. Milton Barbee Rogers, 61, Rockbridge County, Va., former assistant general manager of Studebaker Corp.; and Kenneth Tyacke, 49, Washington, D.C.

There was no immediate identification of the other dead—a woman aged about 60, another woman about 25 and a month-old baby.

15 In Hospital

The truck driver, Michael Harold Powell, Troutville, Va., was not injured. Two passengers on the bus also escaped injury.

Fifteen passengers were admitted to a Lexington hospital and 18 others were released after emergency treatment. Two other persons reported to have been aboard the double-decker bus were unaccounted for.

State Trooper S. W. Talbert quoted passengers as saying the bus ran over warning flares put out by the driver after the truck broke down. The trooper said he was told the truck was parked

Stauffer's Secretary Says British Don't Know Politics

By JOHN KOENIG JR.

WASHINGTON (AP)—A Pennsylvania congressman's secretary who tried her hand at explaining the American political system to the British for two years is back at a desk in Washington.

"The British are a courteous and hospitable people but their lack of knowledge of American political life is amazing," said Mrs. Sally Scull, newly appointed secretary to Rep. S. Walter Stauffer (R-Pa.) of York.

Mrs. Scull returned to the United States Nov. 28 after two years in England as the wife of a U.S. Air Force officer. While overseas she spoke to women's organizations, explaining American customs.

Confused By Elections Before she left for England to be married in 1954, she had

served as secretary to Rep. Benjamin F. James (R-Pa.) of Rosemont for six years. Her mother, Mrs. John H. Weaver, lives in Collingdale, Delaware County, in James' district.

The British are "confused by American elections," said Mrs. Scull, all the more so because they do not vote on three levels—local, state and national—as Americans do.

Mrs. Scull said the Middle East crises undoubtedly have complicated British-American relationships.

"At Southampton, we watched shiploads of tanks and other arms leave for Egypt," she said. "One man, noticing my husband's uniform asked: 'Aren't you going to the East, too, to help us?'"

Maj. Steward Scull was transferred to stateside duty, however, and he and his wife will live in Washington.

Taneytown Couple Feted On Their Golden Anniversary

MR. AND MRS. GEARY BOWERS

Mr. and Mrs. Geary Bowers, Taneytown, were feted with a party honoring their fiftieth wedding anniversary Tuesday night at the Sunday School auditorium of the Trinity Lutheran Church, Taneytown. Members of the Bowers family planned the party as a surprise anniversary reception. More than 90 guests attended the party.

A gold and white tree, under which were placed anniversary gifts from friends and relatives, stood on a table in the room. A three-tier wedding cake was placed on another table. Yellow floral arrangements and gold trimmings formed the balance of the decor.

James Fair, a grandson, played the wedding march as Mr. and Mrs. Bowers entered the room. Mrs. Bowers was then presented with a corsage of yellow rosebuds by her daughter, Mrs. Birnie Staley. Mr. Bowers received a yellow rosebud boutonniere from his son, Donald Bowers.

Old-time songs and poems com-

posed the program at the reception. The following performers appeared before friends and relatives: "Our Queen," a poem, Darlene Bowers; "Grandpa Sweetheart," a poem, Bonnie Bowers; "Silver Threads Among The Gold" and "When Your Hair Has Turned To Silver" sung by Mr. and Mrs. George Naylor and Mr. and Mrs. Herbert Bowers; group singing of "I Want A Girl" and "Let Me Call You Sweetheart." The Rev. Stanley B. Jennings gave a short talk and offered a prayer. Herbert Bowers acted as master of ceremonies.

Mrs. Franklin Fair, a daughter, received the guests. Mrs. Audrey Bowers assisted by Shirley Bowers served the punch, while Mrs. James Fair assisted by Mrs. Curtis Staley served the cake.

Mrs. Bowers, the former Miss Ruth Jane Fissel, daughter of the late Mr. and Mrs. William Fissel, and Geary Jacob Bowers, son of the late Mr. and Mrs. Benjamin Bowers, were married January 2, 1907, at Mrs. Bowers' home.

since 1929. At that time, he became a member of the Washington staff of the Associated Press where he remained for 15 years. During this period, he covered the Senate, House, Supreme Court, and all of the Executive Departments.

This gave him an opportunity to find out how the wheels of government worked and to appreciate the significance of what was taking place. For eleven years, he has been with the National Association of Manufacturers and has observed Washington developments affecting industry.

Before going to Washington, he worked for the Associated Press in Atlanta, Charlotte and New Orleans. Previously, he worked on newspapers in Roanoke, Knoxville and Atlanta.

PAST GRANDS HONOR SENTZ

Ernest R. Sentz, of Sylvania Lodge No. 613, Independent Order of Odd Fellows, Littlestown, was honored by the Adams County Past Grands Association at its monthly meeting held on Thursday evening with the Mary Gettys Rebekah, in the lodge rooms on Chambersburg St. Mr. Sentz, who has served the association as secretary since 1930, under 25 different presidents, was presented with a briefcase in appreciation of his faithful services.

Past President John D. Settle, Gettysburg, presided at the 26th session, in the absence of President Roy W. King, York Springs. The invocation was given by Mrs. William Corbin, Uniontown, Md., followed with the group singing of "America," accompanied by Mrs. Naomi C. Schwartz, Littlestown. Roll call revealed that the following lodges were represented: Valley Home Lodge No. 740, Fairfield; Gettys Lodge 124, Gettysburg; Sylvania 613, Littlestown; Taney Lodge 28, Taneytown; Mary Gettys Rebekah and eight visitors.

Past President Settle gave a resume of the function of the Odd Fellows in Adams County, since its organization in 1929. William Corbin, past president of the Carroll County Past Grands, told of a recent trip by the group to New York City. Mrs. Beatie Kapp, a member of the board of directors of the Rebekahs' Home in Philadelphia, spoke concerning the possibility of having a Rebekahs' Home at Harrisburg.

Musical entertainment consisted of several vocal trio selections by the Smith Sisters, Gettysburg, and a piano solo by Allan Hoke, Gettysburg. The Past Grands will meet again on Thursday, February 7, at Valley Home Lodge, Fairfield.

Charlie Krepp and Bill Roth are the stars of Coach Ralph Casey's University of North Carolina swimming team.

TEN YEARS AGO
Music While You Bank At First National: Patrons of The First National Bank of Gettysburg will soon transact their business during certain hours of the day to the soft strains of music, Edmund W. Thomas, president of the bank, announced today.

Designed for the entertainment of both the customers and the employees of the bank, the program of recorded music marks the first time that a bank in the county has adopted a system that has been tried with much success in several of the larger industries in this section.

Library Sets High Records In First Year: Today the Adams County Free Library observes — without special celebration — its first birthday celebration.

Friday night the library's board of directors at their first 1947 meeting reviewed reports for the first year of book service to the county and found the library had made 74,218 book loans in 1946, secured 8,600 books, sent the bookmobile almost 3,800 miles to every corner of the county and ended the year in the black with a balance of \$488.

34 Major Fires In County In '46 Cost \$183,000: Thirty-four major fires in Adams county during 1946 cost \$183,000 according to a survey of the files of The Gettysburg Times. In addition damage estimated at several thousand dollars occurred in brush, grass and chimney fires that were not included in the total.

Accidents Gave Borough Police Busy Year In '46: Statistics compiled by Chief of Police Robert C. Harpster show that 83 accidents were investigated in the borough in 1946. Seventy-two of the accidents resulted in property damage only. In the 11 others, 19 persons suffered injuries, but there were no fatal accidents.

The chief's report also showed the officers made 434 arrests, of which 251 were for motor code violations, 137 for disorderly conduct and 25 for miscellaneous charges.

Robert L. Scott Is Provisional Head of Guard: Captain Robert L. Scott, Gettysburg R. 2, one-time enlisted man in the old National Guard unit here, and a veteran of five years service with the army in World War II, has been named provisional commander of the new National Guard unit being formed in the county at the present time.

Sledders Hold Sway On Springs Ave.: The snowstorm which began early Wednesday morning came a week late for those Christmas sledders, but the children of Gettysburg nevertheless greeted the "White New Year's Day" with shouts of joy and revelled in the white stuff which gave them their first opportunity to use their new Christmas presents.

Miss Otto Weds Kenneth Alwine New Year's Day: Miss Charlotte M. Otto, Biglerville, daughter of Mr. and Mrs. Lewis B. Otto, Dillsburg, was united in marriage with Kenneth S. Alwine, Biglerville, son of Mr. and Mrs. Percy E. Alwine, New Oxford, on New Year's Day at 2 p.m. in St. Paul's Lutheran Church, Biglerville by the pastor, the Rev. H. W. Sternat. The double ring ceremony of the Lutheran church was used.

Vet Railroaded Given Present As He Retires: Mahlon P. Hartzell, East Lincoln avenue, stepped off the caboose at the Reading yards here Tuesday afternoon about 3:30 o'clock and left his lunch bucket behind.

That, for Hartzell, marked the end of 47 years and 44 days of railroading. Laughingly, he told the members of the train crew, "The heck with it, I quit."

Henry W. Garvin, local agent for the Reading, was on hand when Hartzell's caboose came rolling down grade into the freight yards. He presented Hartzell with a pen and pencil set as token of appreciation for his work.

Today's Talk

A MORNING PRAYER
To you, my Heavenly Father, I owe the light of this day, and it reminds me of every blessing I have received and that each came from Thee. Give me strength and courage, and a renewal of faith that I may perform kindly and unselfishly each hour of this day.

May I pass to others the many blessings that you have given to me, Lord. Keep me mindful. Cleanse me in mind and heart, my Heavenly Father, and give me the clear vision. Teach me tenderness toward the weak or ill, and make it easy for me to be kind and considerate toward all with whom I come in contact. Each new day may I dedicate my life anew to Thee, and to those who most need me.

Give me patience, humility, a devotion to the highest ideals, and help me to live the triumphant life from day to day, meeting all emergencies with courage and no complaints. Walk with me, and talk with me, no matter where I may be.

Forgive me all my transgression all my errors, mistakes and unintended injury in any manner toward others. May I emulate the teachings of Jesus Christ while upon His brief ministry here upon this earth. I pray for simplicity in my personal life, and tolerance toward all, misjudging no one.

Whether there be sunshine or not may this be a good and useful day to me and all others, Lord. Help me to bear in mind that "the sunrise has never failed us yet," and that all who call upon Thee, the Father of us all, are sure to be heard and blessed. Amen.

RESOLUTIONS
Man never wrote a finer set
To print for all to read.
They taught the noble life, and met
The toiler's every need.
They clearly marked the upward way
With gifted, rounded phrase.
Once reading them, a man would say
They should exist for days.

The punctuation marks were clear,
The words correctly spelled.
Advice to serve throughout the year
For young and old they held.
If they were only kept intact
According to the plan,
They'd foster every worthy act
And build the better man.

They had been fashioned to admire
And all men's praise deserve,
But human beings quickly tire
And from the right way swerve.
And now in shattered heaps they lie.
Restore them no one could —
Which happens as the days go by
To resolutions good.

SOROKIN CLAIMS UNITED STATES EMPHASIZES SEX

CAMBRIDGE, Mass. (AP)—Prof. Pitirim Sorokin of Harvard University, an authority of human behavior, says Americans are drifting toward sex anarchy. "Americans," he said, "are victims of a sex mania as malignant as cancer and as socially menacing as communism."

Prof. Sorokin's views on the subject are contained in a book titled "The American Sex Revolution," due in the book stores next Monday.

Prof. Sorokin said the nation's "sex obsession" is reflected in the mounting divorce rate, the upsurge in sex crimes, "the emphasis of sex in radio and TV programs, stage plays and movies, popular songs, pictures, reading matter and advertising."

In Political Life
He also wrote that sex plays a major role in modern American political life. One of the alarming results, he said, is that "sex bribery and blackmail" are now as "prevalent as monetary corruption."

The Harvard professor charges that cocktail parties play "an important role in the stimulation of sex drives and in the provoking of many premarital and extramarital liaisons."

"Our morals," he said, "have changed so notably that continence, chastity and faithfulness are increasingly viewed as oddities, as the ossified survival of a prehistoric age."

Leader's Brother, 2 Others Get Posts

HARRISBURG (AP)—Gov. Leader has appointed his brother and two other men as members of the York Housing Authority.

Named were: Henry B. Leader, the Governor's brother and his legislative aide; Dr. John C. Albohm and Melvin H. Campbell, all of York.

They replace A. S. Feldman and James G. Frantz, whose terms expired, and T. R. Ahrens, who resigned.

Dr. Albohm has been superintendent of York city schools since the start of the 1956-57 term.

Campbell is a corporation officer and president of the board of trustees of York Junior College.

Khrushchev Absent But In Good Health

MOSCOW (AP)—A Soviet Foreign Ministry spokesman told a reporter today he was authorized to state that Nikita Khrushchev is in good health. He declined, however, to give any reasons for the Communist party leader's absence from public functions since New Year's Eve.

Khrushchev's absence from several functions he might normally have been expected to attend had aroused speculation in the West that he might be ill; or that something politically serious might be in the wind.

EAST GERMAN REDS FAILING WITH YOUTH

BERLIN (AP)—Only a minority among East Germany's students have been molded into dedicated Communists, according to members of a refugee high school class who escaped to West Berlin.

During a mass interview Friday of the 16 teen-agers, one boy declared:

"Have Our Own Minds"
"Most of the students simply do not believe the things they try to teach us. I would say that only five to eight per cent are good Communists."

The other students agreed, and the lone girl in the group said: "After all, we have our own minds, too."

The students fled East Germany to escape Communist reprisals for having staged a sympathy demonstration on behalf of Hungary's freedom fighters.

Studies Cut Short
The boys slipped into West Berlin last week. The girl, an 18-year-old blue-eyed blonde, came yesterday.

She explained today she fled because she wants to study medicine and become a doctor. Her studies in East Germany were cut short last month when Communist authorities expelled the entire senior class of the school because of the pro-Hungarian demonstration.

"We demonstrated by sitting in our classroom for five minutes and not saying anything," the girl reported. "When the teacher asked something, we simply remained silent."

DEMOCRATS IN SESSION TODAY

WASHINGTON (AP)—A new Democratic Advisory Committee meets with Democratic congressional chiefs today in an effort to unify leadership for a more active "opposition party" role in the next four years.

The advisory committee, proposed by the party's executive committee after the Democrats lost the presidential election, organized itself yesterday around such figures as former President Harry S. Truman and Adlai Stevenson, the Democratic presidential candidate in the last two veils has agreed to serve only in an informal capacity.

GASOLINE PRICE INCREASE SEEN

NEW YORK (AP)—Higher prices for crude oil, announced by three major oil companies, portends an industrywide boost in gasoline prices.

The Humble Oil & Refining Co. raised gas a cent a gallon in Texas, effective yesterday. The Continental and Gulf oil companies announced a cent-a-gallon gasoline increase effective today in Texas. The Continental increase also applied today to New Mexico.

The big oil firms called top-level conferences Thursday after announcement by Humble, Standard Oil Co. (N. J.) affiliate, of an increase of 35 cents a barrel in the price it will pay for crude oil. Continental followed suit in postings of crude purchase prices.

Gulf's action in boosting gas prices, however, was termed surprising because the company has not yet increased crude prices.

LIMIT FEDERAL GRANTS
HARRISBURG (AP)—The State Health Department says it will not accept applications after Feb. 1 by communities seeking federal grants as part payment for building sewage treatment plants.

The federal funds were made available by Congress to aid in construction of sewage treatment plants to control pollution. An appropriation of 50 million dollars was made, of which Pennsylvania was allocated \$2,097,650.

UCLANS DEFEAT UTAH VANDALS IN 2 OVERTIMES

By ED WILKS
The Associated Press

Conference races get into gear in college basketball tonight and it looks as if tough scraps are in style this season. UCLA already has had a scare and Houston has been humbled.

The Bruins, unbeaten and ranked eighth in the Associated Press poll, opened defense of their Pacific Coast Conference title last night at Idaho and were carried into two overtimes before defeating the Vandals 64-63.

The Bruins, now 10-0 but destined to sit out the NCAA play-offs should they repeat as PCC champs because of disciplinary action, had to hustle from 13 points back to tie it at 59-all with 40 seconds left in regulation time, over, scoring all of the Bruins' points in the extra sessions on a field goal an three foul shots.

Beat Washington State
California, picked to succeed UCLA as champ, opened its PCC slate with a 66-58 victory over Washington State. Capt. Larry Friend topped the scoring with 23 points for the Bruins. Washington slipped past Southern California 76-72. Both schools also are banned by the NCAA.

In the only other PCC game, Oregon State, another title possibility, sneaked past Stanford 64-63.

All of the clubs meet again tonight.

Win For Dons
Houston, the defending Missouri Valley champ which just did beat Drake (74-72) earlier this week, was smacked by Wichita 74-56 as Don Woodward kept the Cougars off balance with 20 points, mostly on jump shots.

San Francisco, the faded NCAA champion, defeated San Jose State 66-51 in a California Basketball Assn. game.

In the Skyline, 5-4 John Benson scored 27 points as Brigham Young blew a 13-point lead, then bounced back to beat Montana 85-68.

Maryland built a 3-1 record in the Atlantic Coast Conference by overcoming a six-point halftime deficit to defeat Clemson 59-52.

College Matmen Host Lycoming This Afternoon

This afternoon at 2:30 o'clock the Gettysburg College wrestlers meet Lycoming College here in their first home match.

Coach Gene Haas has been forced to juggle his lineup due to several lads being unable to make the pound limit or having been laid up recently due to illness. The Bulls lost to Hofstra previously.

Tonight the college cagers go to Allentown to meet strong Muhlenberg and on Monday play at Penn State. They return to the home boards next Thursday when they meet Johns Hopkins.

The Bullet swimmers, beaten by Lehigh, meet Ft. M. and tonight at Lancaster.

RETURN BOUT FOR RAY, GENE MAY BE IN JUNE

By MURRAY ROSE
NEW YORK (AP) — Sugar Ray Robinson says he's ready and eager for his return bout with middleweight champion Gene Fullmer, but it appeared today he may have to wait until June before he gets his chance.

If Marv Jensen, Fullmer's mink-raising manager, has his way, the fight will be held in June in New York's Yankee Stadium.

"If we can't go in the Stadium because of a heavyweight title fight then," said Jensen, "we might have the fight in the Chicago Stadium or Los Angeles. I'm definitely decided on June, though. I want Gene to make some money in three or four non-title fights and I'm negotiating for these in Salt Lake City, Denver and Houston."

IBC Not Too Upset
Jensen made his surprise stand after Robinson, surrounded by his five-man advisory board, announced yesterday he wanted to meet Fullmer again, that a mid-March date as suggested by the International Boxing Club was fine, and that he expected to gain the crown for the fourth time.

Apparently Jensen, outspokenly bitter about the small cut Fullmer received for the Wednesday fight, wants to make Robinson and Co. squirm for a while. Robinson collected \$138,190 and Fullmer only \$20,915 for the Garden sell-out.

Jensen's statement momentarily startled Robinson's advisers, but IBC officials weren't too upset.

"We're Dictators Now"
"I still think we'll have it before June," said Harry Markson, an IBC officer. "April appears more likely and Chicago could be the site."

In explaining why he didn't want a March fight, Jensen said he lost money because he couldn't supervise the December pelted season at his mink ranch and that he couldn't afford to be away from his establishment in March. That's the mink mating month, he said.

Besides, said Jensen, "they (referring to Robinson and his managers) did the dictating before. We're the dictators now."

DELONE JOLTED BY LEBANON 5

Lebanon Catholic handed Delone a surprise in a Central Pennsylvania Catholic Basketball League game at Lebanon Friday evening, the Beavers trouncing the Squires 65-52.

The Squires held a 23-21 lead at half time after a nip and tuck battle through the first half but Lebanon took command in the last half to win going away.

Bucky Shouder was the big gun for Lebanon with 30 points. Chrallie Weaver led Delone with 14.

Lebanon's jayvees won the preliminary 34-31.

The Squires, who are now 5-2 for the season, entertain York Catholic at McSherrystown Tuesday evening.

HUNTERS CLAIM YELLOW BEST COLOR SCHEME

By LYLE BURT
FT. LEWIS, Wash. (AP) — The annual red hat brigade of deer-hunters may be in for a change of chapeau.

A four-day experiment held here showed that yellow is at least six times more visible than the traditional scarlet.

Men with color blindness saw yellow 80 times better than red. The study was the second in a group of three being conducted by Col. E. F. Sloan of the National Rifle Assn. to determine the best color for hunters to wear to protect themselves from their trigger-happy fellow nimrods.

Two-Team Experiment
Two teams of 10 soldiers each were guinea pigs for the experiment. One team was made up of men with normal vision; the other team had men with varying types and degrees of color blindness.

The men attempted to recognize and identify colored panels in deer hunting country on the Army post and in the forested, snow-covered hills nearby.

In one phase of the experiment the soldiers walked down typical deer trails where colored panels had been posted in the brush on both sides.

Realism was added to some of the deer trail tests when an elk, several deer and a wildcat sauntered by.

7-1 For Yellow
Col. Sloan says partial results of the tests gave yellow a 7-1 edge over red as a protective color, with orange fluorescent somewhere in between.

He said the results were the same, only more decisive, than in a similar experiment held at Ft. Ord, Calif., last summer.

A third experiment is scheduled to be held sometime in the future, but Col. Sloan says he did not expect that test to alter facts already gathered.

Assisting Col. Sloan were Dr. Arthur J. Heinsohn of the California Optometric Assn., Wesley Lahr from the California Game and Fish Dept., and representatives of the game departments of Washington and Oregon.

BARONS CHECK LOSING STREAK

By THE ASSOCIATED PRESS

Cleveland's Barons have put an end to their four-game losing streak in the American Hockey League, and just in time, too. Another defeat would have dumped them into a tie for third place.

As it is, the Barons have a two-point edge over Rochester after smacking last place Springfield 5-2 last night while Rochester replaced Buffalo in fourth place by defeating the Bisons 6-3. They were the only games scheduled.

Cleveland, in second place before its slump began, pushed off on Pete Goegan's first goal as a pro on a long shot at 2:26 of the opening period and had a winning 3-0 lead early in the second period. Goegan, playing his 20th game, was making his return from the injured list. The big defenseman missed 12 games with an injured knee.

Gordon Vejprava counted twice for the Barons.

Rochester, never as high as fourth since November 9, broke a 2-all tie on defenseman Al Langlois' first goal of the season at 9:30 of the second period. It was Buffalo's fifth straight defeat and left the Bisons a point shy of the Americans.

Athletic Commission Defended By Crowley

HARRISBURG (AP) — Chairman James H. Crowley says that if the Legislature abolishes the State Athletic Commission because it doesn't pay its own way, similar action would have to be taken on other commissions.

Crowley commented Thurs. night on published reports that Sen. G. Roberts Watkins (R-Delaware) favors abolishing the Athletic Commission "if it is going to cost the taxpayers money."

To that Crowley replied: "If he moves to abolish the Athletic Commission, I'd say he'd have to abolish a lot of other commissions."

Hanover High's veteran basketball team established itself as a strong favorite for the first half title in the South Penn League when it knocked off Chambersburg 65-60 Friday evening on the Trojans' court. It was the second straight for the Hawks who led most of the way by a narrow margin.

Shippensburg, who meets Gettysburg here Tuesday evening, gave invading Mechanicsburg a surprisingly stiff battle before bowing 54-52.

Middletown indicated it will again be a contender by spurring in the last half to top Hershey 60-50.

Carlisle, defending titlist, picked up its second straight with a 57-52 decision at Waynesboro.

Harrisburg (AP) — The State Game Commission has voted tentatively for a 1957 antlerless deer season. It named Dec. 16 as a possible opening date.

The action was taken at the commission's annual January meeting yesterday. Final action and the dates of the season if it is approved will be determined at the July meeting.

The commission elected C. Elwood Huffman of Marshalls Creek as president and fixed the following tentative dates for openings of other seasons:

Small game—Oct. 26; special archers—Oct. 1; antlered deer—Dec. 2; bears, Nov. 25; snowshoe hares—Dec. 28.

SOUTH FAVORED BY TOUCHDOWN IN GAME TODAY

MOBILE, Ala. (AP) — The North sought to even the Senior Bowl series at 4-4 with an upset of the South today when 50 top college stars entered professional ranks.

The South was established last night as a touchdown favorite by odds-makers, mainly on the basis of predicted showers which would handicap the North's highly regarded passing and help the South's running.

North coach Joe Kuharich of the Washington Redskins spent a good portion of practice time developing pass patterns for Purdue's ace quarterback Len Dawson.

The South also had a fine passer, Charley Curtis of Texas Christian, plus running backs Del Shofner, Baylor; George Volkert, Georgia Tech; and All America Don Bosseler, Miami (Fla.).

45 In Bowl Games

The Yankee ground attack was built around bruising fullback John Bayuk of Colorado. Halfbacks are Terry Barr, Michigan, and Jim Podoley, Central Michigan.

North captains were Brad Bomba, Indiana end, for the offensive unit, and Milt Plum, Penn State quarterback, defensive. South captains were Curtis and All America tackle Bill Glass, Baylor, picked by coach Paul Brown of the Cleveland Browns for middle guard on defense.

Of the 50 players, 43 have played in previous postseason games and several have already been signed to pro contracts. Members of the winning team receive \$500 each, the loser \$400.

Mutual network will broadcast the game at 2:30 p.m. EST. No plans were made for television.

Biglerville Girls Drub Delone 55-39

The Biglerville High School girls won their second straight victory when they defeated Delone on the latter's floor Friday afternoon 55-39. A big third period which was good for 27 points gave the Cannons the decision.

Jennie Chronister tabbed 24 points; Vivian Geiselman added 15, and Barbara Rice 13 for Biglerville. Mary Small of Delone was the top scorer for the Squires with 20.

Biglerville plays at Boiling Springs next Friday. Delone hosts Boiling Springs Tuesday afternoon.

CountyAgentListsNewRules For Interstate Shipment Of Cattle; Tells Of Ag. Programs

By FRANK S. ZETTEL

On January 1, a new Federal Brucellosis regulation affecting interstate movement of cattle became effective. This regulation is aimed at unifying and strengthening control of movement of cattle between states.

Brucellosis reactor cattle, after ear-tagging and branding, may be moved under official certificate to approved slaughter plants, or stockyards for sale to such slaughter plants.

Cattle not known to have brucellosis can be shipped to approved plants for immediate slaughter, or to an approved stockyard for sale to such plants for slaughter. They must be accompanied by a waybill or certificate, signed by the owner or shipper.

Pennsylvania requirements for importing of all other classes of cattle already exceed those in the new federal regulations. While federal regulations for such cattle have been strengthened in these regulations, Pennsylvania requirements have not been relaxed. All such cattle must meet Pennsylvania import requirements, and be accompanied by a permit from the Pennsylvania Bureau of Animal Industry.

The new Federal regulation also deals with cleaning and disinfecting carriers or reactor cattle. This disinfection and cleaning must be done under the supervision of a federal or state inspector, or an accredited veterinarian, immediately after the animals are unloaded.

If you're planning to ship cattle out of Pennsylvania be sure to consult the livestock sanitary officials of the state where your cattle are going, so you can know the effect of that state's regulations on the animals when they arrive there.

Any improvement in the poultry business in 1957 will be slight. United States' production of eggs and broilers in '57 is likely to exceed the record production of '56. Present strong demand will continue and this will help to move the record production to market.

The egg business during the first half of the coming year will be less favorable than in the same period of '56. About the same number of layers the first of the year, plus more eggs per layer, will push production above that of a year ago. Lower average prices, coupled with slightly higher feed prices, will keep the squeeze on profits.

The situation is likely to result in fewer chicks bought for flock replacements this winter and next spring. Therefore, some improvement in egg prices the last half of 1957 is expected. The size of the laying flock will be determined by pullets grown and rate of culling.

The financing of broilers on a contract basis has retarded the usual reduction in placements following prices which are below cost. Adjustments are slower.

Some improvement in prices is anticipated. It is not likely that

we shall see prices near those of 1955. Your best bet is to follow placement reports to keep abreast of the situation throughout the year.

Major changes in farm legislation affecting Pennsylvania are not expected during the coming year. One exception may be a move to put into effect a food stamp plan, designed to increase the consumption of food among lower-income groups. Also steps may be taken to ease credit for low-income farmers to implement the U. S. Department of Agriculture's Rural Development Program. However, the coming year will provide an opportunity to observe the effectiveness of programs provided under present legislation.

Pennsylvania farmers will participate to some extent in the Soil Bank. Their principal concern will be the effect it has on their costs. It is not possible to estimate accurately the effect at the moment.

Success of the Soil Bank depends on the degree of participation by farmers. If present payments are not high enough to attract land into the soil bank, the government has the prerogative of increasing rental rates. A move in that direction is indicated by the ten per cent premium offered to farmers, if they put the same tract of land in the Acreage Reserve in 1958 as was banked in 1957.

However, it would be easy to overestimate the effect of this, particularly if the acres on which the premiums were made were of low productivity when they originally were put in the bank. Farmers may also use Soil Bank payments to get higher yields on land remaining in production, by using more fertilizer and other factors of production.

The likely effect of the Soil Bank on feed prices for Pennsylvania farmers for the coming year will be in more stability, rather than large increases in price. This has been demonstrated by the lack of fluctuation in corn prices during this year's harvest, as compared to last year. We probably shall see some increase in corn prices during the year ahead, as well as a relatively small increase in feed prices.

Car Derailed; Tracks Blocked

HALLSTED, Pa. (P)—An empty flat car on a westbound freight train was derailed near here Friday and blocked both tracks of the Delaware, Lackawanna and Western Railroad. The tracks were cleared in about four hours.

A New York-Buffalo passenger train was delayed almost three hours.

Road foreman T. E. Jones said probably caused the derailment. No one was injured.

Hallstead is near the New York-Pennsylvania state line and across the line from Binghamton, N.Y.

Tank Punctured; Spills Fuel Oil

COATESVILLE, Pa. (P)—A rifle bullet punctured the tank of an oil truck Thursday night, spilling several hundred gallons of fuel oil onto Route 100 near the Downingtown interchange of the Pennsylvania Turnpike in Chester County.

The truck was owned by one of several independent oil haulers in southeastern Pennsylvania who have accused Teamsters Union Local 107 of harassing their drivers in an attempt to organize them.

The hauler, Walter F. Schwab, of Pottstown, said that the truck was en route from Wilmington, Del., to make deliveries in the Pottstown area.

The truck driver, Andrew Bernmyer, told state police he heard a thud while driving in an isolated section and stopped to find oil pouring out of the bullet hole. Repairmen plugged the hole, and the truck continued to Pottstown.

Schwab said union activities at bulk plants were forcing his trucks to go long distances to pick up oil.

York Springs

YORK SPRINGS — On Sunday afternoon Mrs. Lloyd Decker, York Springs, and Mrs. John Myers, Mechanicsburg, visited Mrs. Sally Weidner and Miss Margaret Dentler at the Piney Mountain Home for the aged.

Mr. and Mrs. James Behney and family have moved to the property of the late Catherine Keefe along Route 15.

Calvin Bobo and family have moved into the property which they bought from the E. C. Clapper estate.

Pvt. Richard Decker returned to Camp Lejeune, N. C., on Wednesday after spending the Christmas holidays with his parents, Mr. and Mrs. Lloyd Decker.

Pvt. Larry Hess arrived from Camp Lejeune, N. C., on Saturday to spend a furlough with his parents, Mr. and Mrs. Robert Hess, of Bermudian.

On Christmas Day Mr. and Mrs. Ira Coulson, Biglerville, entertained their children with a buffet supper and a gift exchange. Those present were: Mr. and Mrs. Robert Rhoads and children, Melinda, Barry and Barbara, Mr. and Mrs. John Millhies Jr. and children, Wayne, Jennie and Adele, of York Springs; Mr. and Mrs. Clark Heller and sons, Mark and Alan, and Mr. and Mrs. Ronald Alwine and sons, Dwight and Jeffrey, York; Mr. and Mrs. Clyde Orner Jr., Gettysburg, and Howard. All of the family were present except Mr. and Mrs. Clyde Coulson and children, Joanie and their new baby, Ramona Sue, born on November 17 at Boca Rayon, Fla.

Last Sunday Mr. and Mrs. Robert L. Rhoads, Gardners R. D., entertained their children at dinner. Those present were Mr. and Mrs. Harvey Rhoads and daughters, Lillian and Patricia; Mr. and Mrs. Clair Rhoads and daughters, Bonnie, Judy and Debbie; Mr. and Mrs. Lee Rhoads and daughter, Connie; Mr. and Mrs. John Rhoads and children, John, Jeffrey and Cathy, and Mr. and Mrs. Marlin Garner and children, Butch and Susie, of Gardners R. D., and Mr. and Mrs. Robert Rhoads and children, York Springs. All their children and their families were present except for their son, Larry, who has been a patient at the State Hospital for crippled children, Elizabethtown, for seven years.

On New Year's Eve Mr. and Mrs. Merle Miller entertained Mrs. Miller's Sunday School class at an oyster supper in the fire hall. There were approximately 55 members of the class and their families present.

ROYAL ENTHUSIAST — Sweden's King Gustaf Adolf, a devoted photographer, kneels to take shot of ancient sculpture in Florence, Italy, art gallery during his vacation.

President Of USW Answers Charges

NEW YORK (P)—David J. McDonald, president of the United Steelworkers of America, says his union is entirely free of racketeer-proof as long as he remains president.

The union president declared that in the last six years 1½ billion dollars had been disbursed in insurance and pension benefits to members and their families without "one penny having been handled dishonestly." McDonald prefaced these remarks with a reference to newspaper reports of racketeering in other unions by officials handling welfare funds.

Regional conferences are being held prior to the union's quadrennial election of officers on Feb. 12. McDonald is a candidate for a second full four-year term as president.

Four Killed In
Crash Into House

PHOENIX, Ariz. (P)—A novice pilot spun out of the overcast on Thursday and crashed into the only unoccupied house on a quiet residential street. All four aboard the plane were killed.

Raymond C. Roberts, a 38-year-old oil exploration engineer at Costa Mesa, Calif., had rented the plane at an airport near his home. With him were his business partner Urrin N. Hartman, 52, of Anaheim, Calif., and their wives, Mrs. Leona Roberts, 40, and Mrs. Anna Hartman, 51.

The Civil Aeronautics Administration said Roberts got his pilot's license Dec. 24 and had flown only 24 hours on his own.

Mrs. Miller planned the supper and with members of the class served the supper family style.

Eugene Evans returned to his home Saturday in Richmond, Ind., after spending the week with his cousins, Mr. and Mrs. Elmer Coulson. Mrs. Coulson and Miss Nina Megonnell accompanied Mr. Evans to Richmond, Ind., and was met there by her sister, Mrs. Harry Gabbard, and family who lives at Connersville. On Monday they visited the Methodist Home at Warren, Ind. Mrs. Coulson and Miss Megonnell returned home Thursday morning.

Mr. and Mrs. David Ahlers and family have moved into their new home along Route 15. Mr. and Mrs. John Millhies have moved into the Ditzler apartment vacated by the Ahlers.

URGES ACTION IN NEGLECT OF SAFETY RULES

By JOHN KOENIG JR.
AP Special Washington Service
WASHINGTON (P)—Concerned with a rash of "runaway trucks," Gov. Leader of Pennsylvania is urging the Interstate Commerce Commission (ICC) to act against "flagrantly disregarded" ICC truck safety regulations.

Leader, here Thursday to see Sen. Clark (D-Pa.) was sworn into the 85th Congress, reported that a need for Federal action was shown in a two-week check made at various points in Pennsylvania.

"These checks disclosed," Leader said, "that truck being operated in Interstate Commerce were not complying with the safety rules and regulations of the Interstate Commerce Commission. In fact, they were flagrantly disregarded."

Asks Congressmen

In addition to making his own protests to the ICC, Leader said, he has sent letters to Pennsylvania's congressmen and senators calling upon them to use their offices to "prevail upon the ICC to provide more adequate and stringent enforcement of its traffic safety regulations."

"I have received favorable answers already from at least a half dozen of our Pennsylvania delegation—Democrats and Republicans alike," Leader told a newsman.

The governor said that at his direction state officials and representatives of industry, in cooperation with the ICC, conducted the two-week road check of commercial motor vehicles.

The test results, he said, were made available to the ICC "and other interested parties with the request of this office that immediate steps be taken to correct these conditions."

Death, Destruction

Leader's letter to the congressional delegation asserted that Pennsylvania is "again plagued with a series of runaway trucks which are causing death and destruction of property to the citizens of the commonwealth."

"These trucks," the letter said, "are being operated under Interstate Commerce regulations."

The letter said that on Nov. 30 an out-of-state trailer ran out of control in Philadelphia, struck an embankment and toppled over onto a passenger car, injuring the three occupants.

"The operator of the truck stated that his brakes failed, causing the accident," Leader's letter said.

The governor said that on Dec. 15 another out-of-state vehicle ran out of control down the mountain leading into Ridgway on U. S. Route 219, ran through a parking lot adjacent to a church and smashed into a residence.

Destroyed By Fire

"The truck exploded, spraying gasoline over the building after which the entire building and vehicle were destroyed by fire," the letter related. "The operator of the truck was burned to death and the occupants of the home, including Mr. Samuel Murphy, an aged invalid, had to be removed to a local hospital from the burning building."

"Inasmuch as the Murphy mansion was a landmark in the borough of Ridgway the destruction caused by this accident amounts to a local catastrophe."

Leader asserted that additional funds are needed to man a protective force for the ICC to investigate such incidents and to secure better enforcement of existing safety regulations.

Emmitsburg

EMMITTSBURG — Mr. and Mrs. John Baumgardner and children, Martha and Paul David, and Mr. and Mrs. Raymond Baumgardner spent Christmas day in Baltimore with Mr. and Mrs. Thomas Bosley, Dr. and Mrs. George Baumgardner and Mr. and Mrs. Jerry Haskins.

Visitors at the home of Mr. and Mrs. Raymond Baumgardner during the holidays were Mrs. Charles Baird of Altoona, Pa.; Mrs. James Baumgardner and children, Jo Ann, Lisa Lee and Chuckie, Norfolk, Va.; Mr. and Mrs. Thomas Bosley and children, Lee, Tom and Bill, of Glen Arm; Mr. and Mrs. Russell Ohler, Thurmont; Mr. and Mrs. Jerry Hoskins, and children, Sharyn, and Lynn, of Dundalk, Md.; Mr. and Mrs. Clifford Meskell and daughter, Marian, Baltimore; Mr. and Mrs. Elwood Baumgardner and children, John and Norman, of Silver Spring, Md.

Mrs. Walter Peppeler is visiting Mrs. C. Combs in Alexandria, Va.

Visitors at the home of Mrs. Eugene Warthen, near Mt. St. Marys, Emmitsburg over the New year holidays were Mrs. Louis H. Callahan and sons, Eugene and Louis, Baltimore; Mrs. Daniel E. Callahan and daughter, Mary Louise, and son, Paul, of Gettysburg; Mr. and Mrs. John F. Callahan and children, Baltimore; Mrs. Mitchell Thurman and son, Fort Lauderdale, Fla.; Mrs. Belva Martin, and Mrs. Harold Martin, Thurmont.

Mr. Samuel Murphy, an aged invalid, had to be removed to a local hospital from the burning building.

"Inasmuch as the Murphy mansion was a landmark in the borough of Ridgway the destruction caused by this accident amounts to a local catastrophe."

Leader asserted that additional funds are needed to man a protective force for the ICC to investigate such incidents and to secure better enforcement of existing safety regulations.

There were 613,906 cases of measles last year, compared with 547,497 the year before, and 1,759 cases of typhoid, compared with 1,726.

Diphtheria, which started off at a relatively high level in 1956, showed a decline late in the year for the annual total to come to 1,581, compared with 2,039 in 1955.

POLIO CASES DROP 13,870 DURING 1956

WASHINGTON (P)—The number of polio cases in this country dropped by about 47½ per cent in 1956, the Public Health Service said Friday. The figures were: 15,400 cases reported in 1956 against 29,270 in 1955.

Last year was the first in which there was widespread use of the Salk polio vaccine. Although the formal report made no reference to this, a spokesman said the big reduction obviously reflected use of the vaccine.

6,708 Paralytic Cases

There were 6,708 paralytic polio cases reported in 1956, compared with 10,641 in 1955.

Cases of infectious encephalitis increased by some 50 per cent during 1956, to 2,193 from 1,482 in 1955.

Psittacosis, or parrot fever, increased by some 90 per cent, totaling 508 cases. One or more cases occurred in 38 different states.

There were 613,906 cases of measles last year, compared with 547,497 the year before, and 1,759 cases of typhoid, compared with 1,726.

ANNOUNCEMENTS

Card of Thanks 2
STARNER: In memory of our husband and father, Paul N. Starn, who passed away two years ago today. Sad and sudden was the call of one so dearly loved by all. A bitter grief, a shock severe. It was to part with one so dear.

We often sit and think of you And speak of how you died. For all of you did your best. May God grant you eternal rest.
By WIFE & CHILDREN

In Memoriam 3
GUISE: In memory of Mrs. Ada Sadler Guise, who passed away three years ago today, January 5. When the evening star riseth gently In the heavens so bright and clear, Filling all the world with beauty, Then we miss you mother, dear.

Sitting by the open window Looking toward the sunset gold We are thinking of you, mother, And the happy days of old.

Happy were the hours, mother, With you as a trusty guide. But your voice is lost forever In the dashing of the tide.

Gently came the pale rider Calling sweetly from afar Bearing home your spirit, mother, Through the pearly gates ajar.

And with loving hearts, dear mother, We will try to follow you Hoping when we meet in heaven All our pleasures to renew.
MR. & MRS. HARRY SHEAFFER

BRITAIN OPENS NEW AIR BASE

LONDON (AP)—Faced with the loss of her military bases in Ceylon, Britain has decided to reopen her World War II air base in the Maldives Islands as a stopoff on the way to Australia and the Far East.

The Commonwealth Relations Office announced an agreement had been reached with the Maldives sultanate to reactivate the base on the island of Gan, in the Addu Atoll group. A communications center also will be set up on the neighboring island of Hatadu.

The Maldives, a chain of more than 2,000 tiny islands in the Indian Ocean some 400 miles southwest of Ceylon, became a British protectorate in 1887. The population of 93,000 is almost entirely Moslem.

Red Paper Charges U. S. Blocked Peace

LONDON (AP)—The Soviet government newspaper Izvestia charged Friday the United States intention to undermine United Nations efforts to restore peace and security in the Middle East.

An article written by the newspaper's New York correspondent and broadcast by Moscow radio said President Eisenhower's proposed new Middle East policy would "rekindle the flames of war."

"Who doesn't realize now," Izvestia asked, "that it is not the Soviet Union but the United States which desires more and more concessions, military bases and all manner of political, economic and military privileges in the Middle East?"

HUNGARY LETS U. N. TEAM IN

UNITED NATIONS, N. Y. (AP)—Hungary's Communist regime has admitted a U. N. mission to check on relief needs in that revolt-battered country. A U. N. observer team named to investigate Soviet intervention in the Hungarian rebellion still was barred.

A four-man team of U. N. economic experts arrived in Budapest yesterday for a visit of three to four days. U. N. officials disclosed.

The Soviet-imposed government of Premier Janos Kadar granted permission for the experts to enter Hungary on condition their visit was not publicized in advance, the officials said.

Although welcoming U. N. relief offers, the Kadar regime in the past had refused permission for any official U. N. mission to enter the country, even to study relief needs.

The General Assembly's repeated demands for the admission of U. N. observers to investigate the Soviet army's actions of the Oct. 23 revolution and charges that Russia deported thousands of rebel fighters were refused on the ground any U. N. investigation would infringe Hungary's sovereignty.

Poland Can Buy Farm Surpluses

WASHINGTON (AP)—The government today cleared the way for Communist Poland to buy surplus U. S. farm goods and hinted it would give similar privilege to other satellite countries loosening their ties with Russia.

Secretary of Commerce Weeks announced his department will consider applications for licenses to ship surplus farm commodities to Poland for U. S. dollars at world market prices.

Although the stressed that easing of the licensing restriction applies only to Poland, Weeks added in a statement that "at some future time consideration may be given to applications for exports of such commodities to certain other Eastern European countries." He did not name any other countries.

40,020 Highway Fatalities In 1956

CHICAGO (AP)—The nation's motorists set an all-time record for highway slaughter in 1956, the National Safety Council says.

The number of traffic deaths was placed Thursday at 40,020 — 231 more than the old record of 39,969 set in 1941, and a 5 per cent rise in the 1955 total of 38,426.

The council said it based its figure on the actual count for the first 11 months of the year, plus an estimate for December. The toll for the first 11 months was 36,000.

Suffers Exposure In Unheated Home

NANTICOKE, Pa. (AP)—An 89-year-old Shickshinny, Pa., man who was found suffering from exposure in his unheated home on Thursday was in fair condition at Nanticoke State Hospital today.

State Police in Shickshinny identified him as Hendrick Richards of Shickshinny, R. D. 2.

They said he was found on the floor of his small rural house suffering from frostbite of the hands, legs and face. Police said apparently Richards had been in the unheated dwelling over 12 hours.

SUPPLY SHIP FIGHTS FREE OF ICE PACK

MCMURDO SOUND, Antarctica (AP) — The crew of an Operation Deep Freeze supply ship made emergency repairs Friday in the shelter of an antarctic cape after fighting their 7,400-ton vessel free from the grip of a crushing ice pack.

The captain of the U. S. Navy freighter Arneb messaged that his craft had reached the safety of Cape Hallett. Work was started to patch a gaping hole above the waterline and cracks in the hull inflicted by the blows of monster wind-driven ice floes.

Capt. Nels C. Johnson of Alexandria, Va., reported by radio that ice pressure had damaged both sides of the hull along the full length of the ship but that

flooding was under control. One of the Arneb's two propellers also was damaged.

No Injuries

Johnson said there were no injuries to crew members and no loss of cargo. The Arneb carries about 200 men.

Cargo was being unloaded from two of the more seriously damaged holds to speed repairs.

The 450-foot Arneb, an attack cargo vessel specially fitted for antarctic duty, was pinned against the coast of Antarctica's Ross Ice Shelf New Year's Day. Sudden winds of near-hurricane force turned a huge ice jam into a grinding mass of destruction, sending it bearing down on the sea. A helicopter pilot reported the icepack extended 50 miles out and as far up and down the coast as he could see.

The Northwind, one of the U. S. Coast Guard's most powerful icebreakers, smashed through the heavy ice to aid the stricken freighter. Pumps of both vessels were used to keep the Arneb from

Mother Held For Beating Baby

LEVITTOWN, Pa. (AP) — A 25-year-old Levittown mother is being held in \$1,000 bail on charges of beating her seven-months-old son so severely he lost his sight and hearing.

Justice of the Peace Earl B. Dougherty Thursday night held Mrs. Loretta Currin after state police officers testified she admitted beating the baby because he cried too much.

Mrs. Currin was admitted to Norristown State Hospital in October after she broke a window in a neighbor's home because of a barking dog. She was released Dec. 26 as recovered from a mental disorder.

The alleged beating of her child occurred last August.

Plane Crashes In Snow Squall

SLIPPERY ROCK, Pa. (AP) — A light plane returning to Franklin, Pa., after delivering an industrial payroll at York crashed during a snow squall Thursday night near this Butler County town. The pilot escaped with minor injuries.

James Snyder Jr., 39, of Franklin, a part-time pilot for the McKinney Flying Service of Franklin, suffered lacerations of the face and hands. He was reported in "fairly good" condition at a hospital. He was the sole occupant of the plane.

The single-engine plane, a Stinson SR10, crashed in a wooded area near Keisters. The plane was wrecked but did not burn.

Snyder had picked up a payroll from the Sylvania Electric Products Co. in Syracuse, N.Y., and flown it to the firm's plant in York.

A state police aviation inspector from the Butler barracks was investigating the crash.

SENATOR CLARK URGES FEDERAL AID FOR CITIES

WASHINGTON (AP) — Newly-seated Sen. Joseph S. Clark (D-Pa.) must provide the financial aid to enable the nation's cities to solve their problems.

Clark, in his first speech after being sworn in the Upper House of Congress Thursday, told the Women's National Press Club the nation's cities are faced with a crisis "which is endangering their very existence, and indeed the cultural way of life they historically engender."

Clark said three fourths of all Americans live in 173 metropolitan areas. He said this concentration of population has brought increasing demands for adequate and efficient services in a period of declining revenue.

"These conditions are making it impossible for the city to deal with the special problems of blighted housing, urban development congested traffic, inadequate parking facilities, deficient mass transit, water and air pollution control, airports, civil defense and a dozen other vital needs and services which these huge metropolitan complexes require," Clark declared.

"The Federal government must provide the financial help which is available in no other way," he said.

Clark and the 30 members of the state's Congressional delegation were sworn in at the opening of the 85th session of Congress. Along with Clark, who defeated former Sen. James H. Duff, a Republican, three of the members of the delegation are new to the Capitol halls. They are Republican Representatives Curtin and Stauffer and Mrs. Katherine Granahan, a Democrat who succeeded her late husband in office.

Also sworn in was Rep. William Green, a Democrat recently indicted by a Federal Grand Jury in Scranton for alleged conspiracy in defrauding the government in the construction of the 34-million dollar Tobyhanna Signal Corps Depot Green, who is Philadelphia Democratic Chairman, had no comment on the charges saying only:

"I can't say what I would like to say about that."

Republican House Floor Leader Martin of Massachusetts said if any objections are raised to the seating of Green a hearing will be held by the House Elections Committee.

to aid in developing a comprehensive plan for growth and development of the Reading metropolitan area. The Central Berks Planning Commission will handle the project.

Newsprint Supplies To Be Adequate In '57

WASHINGTON (AP) — A House committee report says Commerce Department figures indicate there will be "adequate supplies" of newsprint for U. S. users in 1957.

In its report filed yesterday, the House Commerce Committee also forecast "an upturn in advertising, especially in newspaper" in 1957.

The report said domestic newsprint consumption probably will total about seven million tons. The available supply should exceed this by about 125,000 tons, it said.

Middle East nations. Government officials have been talking in terms of a 400-million-dollar program spread over two years starting next July 1.

Final Form In Doubt
There was general belief in Congress that the President will get the advance authority to use American troops, but there was growing doubt about the final form this would take.

An administration sponsored resolution, sent to some congressional leaders yesterday, was reported to call for presidential authority to move against Soviet-backed aggression when any attacked country asks aid.

It was said also to authorize the new aid program designed to bolster Middle East nations against economic collapse.

ANNOUNCING INCREASED INTEREST RATES EFFECTIVE JANUARY 1

Following its well-established policy of passing along to its patrons the maximum benefits possible, The Gettysburg National Bank announced on December 7, 1956, that it was increasing the interest rates on savings accounts and certificates of deposit from two (2%) per cent to three (3%) per cent. This announcement was prompted by the action of the Board of Governors of the Federal Reserve System which authorized National Banks to increase their rates to a maximum of three (3%) per cent.

However, the Pennsylvania Department of Banking has not seen fit to increase the maximum rates which Banks can pay in Pennsylvania to the maximum rate fixed by the Federal Reserve System. Since the Bank is compelled to comply with the lesser of the two rates, it will pay interest at the rate of two and one-half (2½%) per cent on savings accounts and certificates of deposit effective January 1, 1957.

In the event the Pennsylvania Department of Banking should reconsider its position and authorize an increase in interest rates, then this Bank will continue its policy of passing along these benefits to its patrons by increasing savings account and certificate of deposit interest rates accordingly.
